

Friday Evening After Party Sponsor Package

On the Friday evening of Yachtfest the Sunset Rendezvous Party is held at the Landmark Aviation Air Hanger located on Pacific Coast Highway. This party exhibits a luxury goods display that includes private jets, luxury cars, San Diego's best restaurants, and an evening filled with quality networking and fun. The party concludes at 10pm, but the fun is not over. Yachtfest is looking for a venue to hold the after party, where at least half of the 500+ guests will be continuing their night!
